“The Friends of the Falconer Museum” was formed in 1995 to support the activities of the Museum. Since then the group has worked closely with the museum staff to develop the facilities and promote local heritage by publishing information and organising exhibitions and events.

Throughout the years we have helped the museum in many ways from buying furniture and equipment to hosting and producing exhibitions. We attend outreach events, provide tour guides, host visits to the museum and maintain the high standards the museum strives to upkeep.

We are also involved in a major Oral History project where we are gathering together a large collection of conversations from local people about their lives in and around Forres.
